

**Radio Test in preparation for
41st Olustee Festival Parade 02/16/2019**

Parade Event hams - bring your HT to the January 21st meeting. As you are driving to the meeting, tune to the 145.490 repeater to test your portable radio. After making contact on the NF4CQ repeater, tune your HT to **147.420 Simplex** and make contact with someone. Bring the HT into the meeting for additional testing and demonstrations.
