CARS to Hold Auction

The Columbia Amateur Radio Society (CARS) voted at its business meeting Monday night to have an auction for the ham radio equipment that was donated to the club. The donation was made by Roger Elliot, N1RE to help support the radio group. The equipment includes mobile and fixed base transceivers, power supplies and antennas along with the associated test equipment.

The auction will be staged as part of the club's membership drive. A list of the equipment will be posted to the NF4CQ.com website before the August 20th meeting. Paid-up club members will be bidding on the items at the September 17 meeting and then anyone interested in bidding will be invited to attend and bid at the October 15th meeting. Minimum bids will be established at 1/3 of the market price determined by the auction committee.

For additional information, go to the club's website at NF4CQ.com or call 386-752-0987.
